

RUHR-UNIVERSITÄT BOCHUM
Fakultät für Chemie und Biochemie

RUB

Interdisciplinary Lecture Series Gemeinsames Kolloquium – Wintersemester 2017/18

Thursday, 01.02.2018
17:15 hrs, Lecture Hall HNC 30

Antrittsvorlesung - Inaugural Lecture

Prof. Dr. Wolfgang Kleist

Industrial Chemistry, RUB

***Tailored catalyst materials –
From metal-organic frameworks for
fine chemical applications to
nanostructured catalysts for
energy-related processes***

*All guests and members of the Faculty are invited to participate in an informal **“Meet & Greet”** in the HNC 30 Foyer after the lectures to get acquainted with our new professor and enjoy snacks and refreshments.*
